SYDNEY CLEANING SERVICES
PTY LTD

Specialisation

We specialise in the cleaning and maintenance of strata home-unit buildings, and commercial and industrial properties. From small unit blocks to gated complexes to shops; we do them all.

Sydney Cleaning Services provides a comprehensive property service by working hand-in-hand with building managers and business owners to maximise the speed and quality of maintenance services.

Gardening

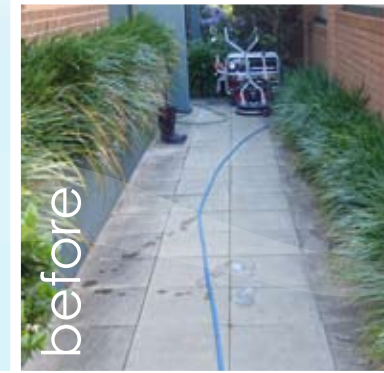

We can give your garden a make-over. From trimming hedges to mowing to designing; we are equipped with the latest tools to freshen the appearance of your garden. Combine this with pressure washing of paths for an impressive result.

Strip and Polish Floors

Make apartment and office lobbies, lift floors, and showrooms shine.

Make your Building Look New with Pressure Washing

Our pressure washing division can dramatically improve the look of paths, patios, car parks, steps, and walls. We remove unsightly - and slippery - grime and algae. We also soft wash windows and painted surfaces.

Sydney Cleaning Services Excels In:

- One-off building, office and shop cleans
- Stripping, sealing and polishing floors
- Mowing and gardening
- Removing rubbish - junk, garbage and garden waste
- Supplying and fitting light globes
- Supplying and repairing wheelie bins
- Installing irrigation systems
- Painting and minor repairs

Garbage Removal

Take the hassle out of sorting through a mountain of rubbish. We can remove large items of junk and huge quantities of rubbish to tidy up your gardens and overloaded bin bays.

One-off Cleans

We do one-off cleans in apartment buildings, offices, and shops. This is great when vacating premises or preparing for a function.
